Junior AchievementTM
of Alabama

JA programs empower students to make a connection between what they learn in school and how it can be applied in the real world. We provide relevance for classroom learning & increase understanding of the value of staying in school.

During the 2022-23 school year, with the help of 1,555 volunteers, JA provided programs to over 35,700 Alabama students. Our volunteer-led K-12 programming builds a ladder from the classroom to the future through teaching work competency, financial literacy, and entrepreneurial spirit. This programming is provided free to the schools.
