# Southern Company Bowling Classic

**July 31, 2026, 1-3 pm**  
**📍 Vestavia Bowl**

The impact of Junior Achievement programs is priceless and lives are changed in every classroom. JA teaches kids about money management and how business works. Students get hands-on experience to help them compete in an increasingly competitive global workforce. As a result, they are more likely to have a positive outlook for the future, more likely to graduate from high school and college, and more likely to explore entrepreneurship.

The Bowling Classic is JA's single largest fundraising event to develop the resources necessary to provide this valuable programming for our youth.
