Junior Achievement inspires and prepares young people to succeed in a global economy.

Our programs give youth the skillset and mindset to build thriving communities by combining relevant classroom learning and essential life skills delivered in collaboration with business partner volunteers.

During the 2023-24 school year, with the help of 1,169 volunteers, JA provided programs to over 31,104 Alabama students. Our volunteer-led K-12 programming connects classroom learning to the real world by teaching career readiness, financial literacy, and an entrepreneurial spirit. This programming is provided free to the schools.

Please select the appropriate sponsorship level for confirmation.
